FROM THE EAST

Good day Brothers.

I am humbled to have been installed as your Worshipful Master for 2023. We had an amazing installation with 6 brothers being installed into new chairs. We have a couple of openings currently due to changes in the lodge and the requirements of Grand Lodge. We will be nominating the new SW at our next stated meeting and voting for him as soon as we are allowed to do so. In the coming year you will see some different ideas presented as I would like to grow our lodge in our ritual abilities as well as make sure we have many practices for every ritual event we will be doing throughout the year. We will also be participating with other district lodges when possible. I also am working to put some family fun events together as well as other events we can invite the district to. Other lodges have hosted Ax throwing events, picnics, toy drives, and parties. We of course have Diamonds and Gold in April. I am looking to put together some fishing trips and would like to participate in Oakland Park's Parade and possibly do Child ID at Oakland Park Oktoberfest.

Please feel free to reach out to me and we can talk about any ideas the craft has for this next year.

Fraternally

RJ Jobman

Worshipful Master

FROM THE SOUTH

Greetings from the South my brothers and congratulations to all our elected and assigned officers!

Our first stated meeting of 2023 was last night, and we are off to a strong start with many great plans for activities and community involvement this year. The South was overflowing with guests, Entered Apprentices and Fellow Craft Masons...the stage is set, and the momentum is building for what *will* be a great year! I am excited to see a focus on continuing to work together with all our 26th District Lodges to build relationships through joint degrees, events, and, of course, the Traveling Gavel.

If I had one key message this month it would be “Get Involved”!

- **Open Books/School of Instruction** – Educate yourself! Open Books is the first Wednesday and third Monday of each month, 5pm – 8pm. Further your masonic education by reading and studying your degree work in written form. Take advantage of the ongoing School of Instruction which features presentations and philosophical discussions of varying topics. These are esoteric deep dives into the “how’s and whys” of the things that we do including degrees, balloting, and basic rituals. (Bring your dues cards – EA’s and FC’s must be accompanied by a Master Mason.)
- <https://www.26thdistrict.org/> - Want to know what’s going on? Follow the calendar of all the meetings and events in our district! Every lodge in our district would welcome you at their meetings, degrees, and special events.
- <https://www.facebook.com/groups/111003132306296> - Want to know what’s *really* going on? Follow the 26th Masonic District Masters and Wardens facebook group and attend a Masters and Wardens meeting (usually the last Wednesday of the month). Many district-wide issues and plans are discussed, and each lodge presents updates. This is a great chance to get to know many of the Brothers in our district! (Master Masons only)

Finally, I want to thank you for the honor of electing me to serve in the South as your Junior Warden...I am excited to have the opportunity! I have many great plans for meals and refreshments this year and welcome your suggestions for themes and ideas. Please do not hesitate to reach out to myself or any of the other officers with any questions or ideas and most importantly, get involved!

“You don’t have to be great to start, but you have to start to be great!” Zig Ziglar
