FROM THE EAST

My Brothers

It is a great year so far, we have Initiated 6 new Brothers as Entered Apprentices, passed one to Fellowcraft and Raised two new Master Masons, Congratulations to Br's Humberto Fernandez and Doug Livermore on their being Raised in a Joint Degree with West Broward Lodge in May. We have also received a few more petitions and I see more coming soon. I am excited to see our growth continue as we have a steady flow of visitors and petitioners, Lets continue to guard the west gate while helping to grow good men Into better men and Masons. I share this coming off a great week at Grand Lodge where we had a lot of fellowship with so many Masons from around the state. I would be wrong if I didn't congratulate our new Grand Master Glen Bishop, DDGM Juan Rogue from West Broward, and our new DI Matt Goldstine. Please don't forget to place your preorder for the Breast Cancer T-shirts either via email to myself or Brother Buie.

Fraternally RJ Jobman

Worshipful Master

From The West

To begin with, allow me to extend my congratulations to our newly raised Master Masons Umberto Fernandez and Douglas Livermore, who were raised last month just prior to the Grand Lodge Annual Communication. Special thanks to the brethren of West Broward Lodge for joining with us in hosting the degree, and to those brothers who comprised the degree team. And special mention to the brethren from our lodge who journeyed to support our two brothers by being present for the degree.

Supporting our brethren goes beyond being present for degrees. As part of our obligation, we are to support all distressed Masons, their families, and non-masons who we may encounter in our travels who are in need of relief, if within our ability to do so without harm to ourselves and families. This can take various forms: donating to charities, helping a brother in making repairs to his home or other property, giving a ride to a brother to and from meetings if he is unable to drive himself, offering to do shopping for an ill or otherwise house-bound brother, picking up the phone to call a brother who hasn't been to lodge in a while and say "hi, I haven't seen you in a while and want to make sure you are all right and if you are in need of any help," and I'm sure everyone can come up with half a dozen or more examples. One important aspect of Masonic integrity is our word: whenever you make a commitment to aid a brother for any reason, think carefully before making that commitment and do not extend it unless you are able to make good on it. To give your word and then break it reflects poorly not only on yourself as a Mason but the lodge and craft as a whole.

My brothers, look well to the East.

FROM THE SOUTH

Greetings Brothers,

Can you believe we have reached the halfway point in 2023 already? May was a busy month with many highlights but I'll start with a big congratulations to Brothers Doug Livermore and Berto Hernandez achieving their Master Mason Degrees. **Congratulations Brothers!** I am sad to have missed this degree which I hear was another great joint degree, this one at West Broward Lodge.

May finished with a bang as some of us traveled to Orlando for The 194th Grand Communication of the [Most Worshipful Grand Lodge of Free & Accepted Masons of Florida](https://www.26thdistrict.org/). It was my first time attending and I'll defer to the other officers for the details but what really struck me was just how many of us Masons there truly are in Florida yet how few I know! This has me thinking that June, with Open Books not starting until July, would be a great month to visit a few other lodges. Maybe get to know a few brothers we haven't met yet. You know, when I think about it, didn't I hear something about the Traveling Gavel just recently? Well, here's a link to the district calendar: <https://www.26thdistrict.org/> Let's get the conversation started and do some traveling!

Fraternally yours,

Randy Lay, Junior Warden
