APRIL MEETING

WEDNESDAY April 28th, 2021 — West Broward Lodge No 253
Time 7:30 PM - Memorial Lodge meets at 7:00 PM

Future Meetings

May -- 26th 2021 @ Eureka North Shore Lodge No. 269
June -- 30th 2021 @ Roe Fulkerson Lodge No. 299

Greetings my Brothers!

April showers, bring May flowers. I write this line to you as the Spring season is upon us. Spring is synonymous with "rebirth", "renewal" and "regrowth" – to name a few. To that end I pose a question to you, what are you doing, or what could you be doing, to begin your own evolution? Now might be a perfect time to break open the Master Mason Exams, Lodge Officer Training, and/or brush up on your degree work. Just something to mull over.

At the time of this writing, rooms at the Rosen Plaza Hotel are sold out for our 192 Annual Grand Communication. Do not fret however, overflow rooms are still available at the Rose Centre down the street for the same price, just indicate Grand Lodge 2021. Keep in mind the District's hospitality room will again be opened (at the Rosen Plaza Hotel) and it's a great way to share some laughs and memories after a long day.

Speaking of the Grand Communication, by now all Lodges should have received the proposed legislation package for it. Please make sure you review this booklet and share the information with your Craft. I anticipate we will be discussing it at our upcoming Masters and Wardens meeting.

Lastly, I am happy to see our District's Lodges really start to plan events and degrees. If you have not attended a meeting or degree at a Lodge other than your own, you're missing out! I also encourage you to attend events other Lodges put on and, even if you can't attend, see how you can support them in another way. Just remember Grand Lodge's required COVID-19 safety measures are still in effect.

As always my Brothers, should you have any questions, comments or suggestions... do not hesitate to contact me.

Fraternally,

W.: Matt Goldstein, PM

My Brothers,

Last month we had Worshipful Saul Montes giving an interesting open lecture at the lodge as part of our focus of masonic education for the first meeting of March.

Also, I had the privilege of having the District Deputy Grand Master sitting at my right during the second meeting of the month. Great dinner and very exciting events announced for the coming months. The Corn Hole Tournament is around the corner and we are proud of having our brothers being an essential part of the organization of this competition with Worshipful Carpenter being the head of the event. This event is going to bring fellowship and we will raise some money for the banner program started by our lodge a couple of years ago.

At our lodge building, we are focusing on some positive changes to move towards becoming a Masonic Center and we will love to see you be part of this improvement. The library is coming around, and with your help we are going to have a very nice place where we can enjoy a good catechism practice, a nice reading section, or even a simple interesting talk with our brothers.

April 15th, Eureka North Shore Lodge No.269 is hosting their first “Three Lights Dinner.” A stepped up dinner where the Worshipful Master, Senior and Junior Wardens, and with the assistance of the Stewards will prepare a special dinner for the brothers of the lodge and all the brothers and visitors from the district that want to assist. Come and enjoy a nice meal followed by a short stated communication. We will be serving Picanha as the main plate; I am sure you will enjoy it. Please RSVP to ensure we have plenty of amazing food for everyone.

As part of our continued education, we presented the following piece as part of our presentation last meeting:

Tree travelers stood at Artist’s Point in Yellowstone Park, looking at the mighty Lower Falls. “Lot of water going to waste” said one. “And so noisy. Keep me awake last night!” “Lot of water going to waste?” derided the second. “The waste is of power! I’d have every drop of that going through turbines!”

The third man said nothing. His ears heard the heavenly choir of the most musical of falls, as his eyes beheld the glory of one of the most musical of falls, as his eyes beheld the glory of one of the greatest beauties of this or any other country.

The Short Talk Bulletin (1944)

Come and enjoy the “heavenly choir of the beauty of ritual” at our stated communications every First and Third Thursday of the month.

Be healthy, be safe, be wise,

W.: Oscar Aparicio W.M.

Have you ever questioned yourself why we need a Tiler?

At the Installation of Officers, the Tiler is reminded that his duties are now purely symbolic but once were not. So why do we need a Tiler?

The answer is, to protect the Masonic Secrets. What Masonic secrets can be so important that we have to guard with an armed Brother? The answer is difficult but, if we think about how society has continued to evolve through the centuries, and how new ideas have previously caused resentment from the church and the establishment of different societies, we have to be careful in how our ideas and principles are taken.

Previous Brothers in the past have been persecuted and in some cases imprisoned for having advanced principles of spirituality and world order. As Freemasons we always have been accused of conspiracies against the established order. Perhaps, our ancient Brothers knew perfectly well that we are guardians of knowledge that the great architect of the universe place at our disposition for the benefit of humanity. As logical as that may sound to us, it may not be the case with the average cowan and eavesdropper.

New discoveries and inventions led to new avenues of thought but many lacked the freedom to openly discuss them let alone explore them. In a Masonic lodge, where every brother had pledged to keep another brother's secrets, murder and treason excluded, they could discuss new and wonderful ideas. The lodge room was and will continue to be a place where freedom of speech could be found. Therefore, new ideas could be debated and explored, but only if the Tiler ensures no cowens or eavesdroppers are present.
